Dear Mr Riley,

KITEMARK LICENCE NUMBER KM 79769

I can confirm that the programme of testing for the extension to the scope of approval of KM 79769 to include double doorsets has now been successfully completed for open in or open out, glaze in, with IGU or panelled infills, with or without midrails and with standard or low thresholds and I will mail you a draft copy of your revised certificate for your review soon after the Reports are made available.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Tim South', is written over a faint circular watermark.
